

Parental Consent Form for Students Under 18

We want to make sure that your child is safe and happy while studying in the UK. To help us, we ask parents/guardians to complete this form for any student aged under-18 who is enrolled at Norwich Study Centre, Flying Classrooms.

Please note that the student will not be able to start the course until the form is received by the school.

We keep this information secure and will only give it to people who are directly involved in caring for your child on a need-to-know basis during the time when they are enrolled at the school; this may include healthcare and welfare professionals.

If the parent/guardian is not able to fully communicate in English, we ask them to designate another adult who can communicate with the school in English on their behalf.
